### DUETS

*From Sinatra to Ella*

**Tony Apicella's** favorite place to be is on stage, swingin' with an orchestra. He is thrilled to have the chance to work with a group of such talented artists that share his love of the material. He has performed with symphonies across the globe in "Disney in Concert" and "The Music of the Rat Pack". He has also appeared in numerous productions in and around NYC including "Rock of Ages". Tony is a proud member of AEA and lives in Astoria, NY with his beautiful wife Grace.
