

## SYMPHONY POPS MUSIC

### Disney In Concert

**Marissa Miller** is an accomplished performer and symphony soloist, elated to be making a dream come true singing with Disney in Concert! She has been seen as Glinda in the national tour of *Wicked* and performed internationally with Andrew's Sisters inspired trio "*America's Sweethearts*." Marissa began studying music at a young age at The New England Conservatory of Music's Preparatory school and then went on to hold a BFA in Musical Theatre from The Boston Conservatory. Marissa's versatility shines through her performances in regional theaters, holding prominent roles in the New York Musical Theatre Festival (NYMF), and leading the cast in new musical "*Joyce Jackson's Guide to Dating*" at 54 Below. She has created and performed two solo shows in Manhattan and sung backup for the incomparable Sara Bareilles. Marissa resides in Brooklyn, NY where she hosts a monthly variety show with her brother, "*Very Vaudeville*". All the love to my family, friends, and the love of my life, Dominique. Dreams come true! @itismariss @VeryVaudeville
